National Day of Mourning

April 28th is the National Day of Mourning. This day is to pay tribute to our fellow workers who have been killed or injured from a work place accident. This year, CUPE Local 5050 and NSGEU will be co-hosting the ceremonies at the Pier Legion, Branch 128, 850 Victoria Road, Whitney Pier at 11:00 am.

We would like to have as many people in attendance as possible for this great tribute. Please note that you do not have to lay flowers in order to attend. We will have guest speakers, laying of flowers and a light lunch to follow.

However; anyone wishing to lay flowers in memory of a worker who was killed at a worksite or a tribute to a worker who was injured at a worksite, can lay flowers in their honor.

We ask that anyone wishing to lay flowers, have them delivered by 10:00 to the Pier Legion. Also, we will need the name of the organization or person who the flowers are for, who they are from and if there will be someone there to place them.
